- TM- Transfusion Medicine**
- PMR- Physical Med & Rehab**
- ORTH-Orthopdeics**
- ANES-Anaesthesia**
- E1- Elective 1**
- E2- Elective 2**

Note- 1. Sundays and Holidays may be treated as training days for internship and students will need to coordinate with concerned departments.

2. For diagnostic services - 4 weeks will be distributed as 6 days each for Pathology, Physio, Biochem, Micro & Radiology with Nuclear Medicine in this order.

3. For induction program from 5th Feb to 11th Feb the Interns will be spared by concerned departments to attend the program in the afternoon.

4. The choice of elective is left to the intern but same will be communicated to the office of Dean Academics on or before **30 January 2022** so that concerned dept are informed in advance.

5. Each elective will be of 2 weeks duration.

****** From 18.01.24 to 31.01.24 - Extensions & leaves duties to be completed. ******
